HEALTH GUARANTEE

Please take your puppy to your vet for a health examination within seven (7) days of purchase date. Take Worming/Immunization Record with you to the veterinarian so there will be a record of what has been given to your pup. Any veterinarian bills are the responsibility of the buyer. A certified diagnosis is defined as a Positive Diagnosis by a Veterinary Teaching Hospital, or a State Licensed D.V.M. Acceptable to By Jobe and Tina Kaven Kennels own veterinarian.

- This Contract, All Health Records, Veterinarian Statements, and ANY AND ALL Related Paper Work must be provided back to seller, or Contract is NULL AND VOID.
- Proof of All Worming/Immunizations/ Heartworm and Appropriate Preventative Health Care must be provided back to seller or Contract is NULL AND VOID.
- I understand that my puppy has been fed "Iams Small Breed Puppy Food" to date. I understand and take full responsibility if pup becomes ill as a result of an inadequate alteration to the Recommended Feeding Program. (If Iams is not fed, an adequate substitute is necessary and must be pre-approved by Seller and Seller's designated Veterinarian for contractual purposes.)
- I understand that Tina's Wheaten's and Whoodles has taken all measures possible to assure the best "Development", "Training", and "Socialization" of my puppy- and has started my puppy on "Come", "NOT NOW", "Leash Training", Familiarized Puppy with Grooming Table", "Potty Training", "Doggy Door Training", and "Crate Training", (inasmuch as time allowed, these things are NOT guaranteed)- HOWEVER, I acknowledge that I have NOT requested FURTHER, SPECIALIZED, SPECIFIC, Training with Tina Kaven "INDIVIDUALLY", or requested FORMAL Training in the "PUPPY PRESCHOOL AND BEYOND PROGRAM", therefore, my puppy has only been "STARTED", meaning that "Puppy" IS AND WILL BE INCONSISTENT in his/her response(s) to "REQUESTS/COMMANDS" by Buyer, and that Buyer takes FULL responsibility for further training unless otherwise noted, and it is Buyer's RESPONSIBILITY and DUTY to seek out any needed ASSISTANCE for any Training advice or TRAINING PROGRAMS. I acknowledge that Tina's Wheaten's and Whoodle's has offered assistance in ANY of these areas should the need arise.
- I AGREE TO PROMPTLY REPORT BEHAVIORAL, MEDICAL OR TRAINING ISSUES, with appropriate documentation to Seller, and then follow up as necessary with Veterinarian/Trainer/ or Appropriate Party immediately, in order to obtain assistance.
- SHIPPING TO BE COORDINATED, PAID FOR, AND SET UP BY BUYER (Tina's Wheaten's agrees to provide shipping to airport or otherwise for a designated fee, and if prearrangements are made well in advance)
- Buyer agrees to provide crate and all associated supplies for Air Travel.

"PUPPIES PROVIDED WITH POOR SOCIALIZATION OR DEPRIVED OF ENVIRONMENTAL EXPOSURE OFTEN DEVELOP LIFELONG DEFICITS AND DYSFUNCTIONAL BEHAVIORS. A PUPPY ISOLATED EARLY IN LIFE FROM OTHER PUPPIES AND HUMANS WILL NOT ONLY FAIL TO ESTABLISH SATISFYING SOCIAL CONTACT WITH CO SPECIFICS OR ENJOY COMPANIONSHIP WITH PEOPLE LATER IN LIFE (SUCH PUPPIES ARE EXTREMELY FEARFUL OF ANY SOCIAL CONTACT), THEY WILL ALSO EXHIBIT WIDESPREAD BEHAVIORAL AND COGNITIVE DISABILITIES AS WELL. ISOLATED PUPPIES EXHIBIT POOR LEARNING AND PROBLEM-SOLVING ABILITIES AND ARE EXTREMELY HYPERACTIVE OR RIGIDLY INHIBITED, ARE EMOTIONALLY OVER-REACTIVE AND UNABLE TO ENCOUNTER NOVEL SOCIAL OR ENVIRONMENTAL SITUATIONS WITHOUT EXTREME FEAR AND AVOIDANCE, AND ARE SOCIALLY AND SEXUALLY INCAPACITATED."

FOLLOW UP WITH BOOSTERS PER VETERINARIAN RECOMMENDATION

- I AGREE AND UNDERSTAND THAT IT IS IMPORTANT AND IMPERATIVE THAT I MAKE MY CAREGIVERS, VETERINARIAN (S) AND STAFF THAT IT HAS BEEN NOTED THAT SOFT COATED WHEATEN TERRIERS ARE/MAY SHOW A SENSITIVITY TO ANESTHESIA.

FINALLY!!!! SHOPPING FOR BABY!!!

- IAMS SMALL BREED PUPPY OR EUKANUBA TOY PUPPY FOR DOG FOOD with.....
- Corn Oil, (or Salmon Oil) for the VERY SPOILED BABIES!!!! To top itBabies and Adults!
- Dog Toothpaste with natural Enzymes (monthly)
- Heartworm Medication (Monthly)
- Comfortis (Fleas and Ticks Monthly)
- We use **VERY SOFT, SMALL AND NATURAL TREATS (SALMON IS GREAT!)FOR THE VERY YOUNG PUPS..** "Charlee Bear" Treats (Liver), "Professional's Choice Freeze Dried Liver Treats"
- NO RAWHIDE CHEWS- We use All Natural Hooves, Hocks, Bones, Pig's Ears, etc directly from the Butcher or Petco
- "HALTI" (Small) Harness
- Long and Short Leashes (One very soft that you can tie to furniture) and a Retractable Leash
- Crate Medium (20 inches plus/minus--this is Baby's Lifetime Crate)
- I highly recommend "Door Bells" --literally bells that hang on the door to give puppy a way to be specific about asking to go outside. (recommend one per each door you will use)
- I like the Kong Treats and "Stuffn" -- Treating straight from the can is SO easy and handy! Plus they do like to play with those!
- In addition they LOVE LOVE LOVE "Zanies Unstuffies" or like...they are like a long squirrel with squeakers on each end.
- Toe nail nippers (unless your groomer will do it) and/or File
- Towellettes to clean feet after outside play! (there is also special carpeting you can buy)
- I also recommend a Dog Tie -that you can fasten and tie dog "on leash" at door to wait for feet to dry if necessary.
- Medium Dog Dishes
- Shampoo/Conditioner – any Extra or Deep Moisturizing or Oatmeal
- Cleansers for the ears- I would recommend simple "Wipes" as your Groomer should be doing the "deeper cleaning" of the ears.
- Grooming Tools: Large Pin Brush, Large Slicker Brush, and a Large Undercoat Rake (Wide Tooth), I always like a dematting tool "in case", a curry type brush for bathing.
- I like a Very Heavy Moisturizing, Conditioning Shampoo and Conditioner

- Stain (ODOR) VERY IMPORTANT!!! Remover--MAKE SURE IT STATES "ODOR REMOVER" THEY OFTEN HAVE ENZYMES TO HELP BREAKDOWN.
- I also recommend a Puppy Potty Training Spray to use on your lawn when encouraging learning to potty in your yard.
- Sit, Down, Come (with LOTS of encouragement and happy voices-- Bend down)
- Potty immediately am, then Feed, then Potty. "Good Potty" w/ Treats
- On Leash at all times in house. Potty as often as every 30 minutes in house to begin.
- Potty, Noon meal/or Training with Treats, Potty, then ...
- ALWAYS IMMEDIATELY UPON LEAVING CRATE, GO POTTY!!
- Call or plan to come back out for lessons or brush up training as needed!
